Our practice has been continually providing high-quality dental care since its inception, and we now proudly serve patients of all ages in Berkshire County. Through steady growth, we recently opened a second location in North Adams to provide more convenient service to residents in Northern Berkshire County and Southern Vermont.

This is a prepaid discount dental plan, not dental insurance. It cannot be used 1) to cover services reimbursable by dental, medical or automobile insurance; 2) in conjunction with another dental discount plan; or 3) for services for injuries covered under workers' compensation. The Plan is honored only at HDC, expires 1 year from a member's enrollment date, is NON-REFUNDABLE and cannot be combined with any other prepaid discount card or insurance. The Plan provides members with access to discounts in exchange for prompt payment. The Plan does not make any payments directly to HDC or its dentists. Each member is obligated to pay HDC directly for all services or products on the date of service, but will receive a discounted rate.

\*The Plan is not dental insurance and does not meet the minimum credible coverage requirements under M.G.L. c. 111M and 956 CMR 5.00. HDC does not provide comprehensive health coverage, and the Plan does not supplement existing medical or dental insurance or health care benefits.
